

# Safety Research Report Index - Jeep CJ Rollover

## A. BACKGROUND

1. "Utility Vehicles Found Hazardous on Highways: Rollover & Ejection Rates are High," Status Report, IIHS, 5/6/80
2. "Jeeps & Other Utility Vehicles," Products Liability, Association of Trial Lawyers of America, 9/80.
3. Series of articles from San Francisco Chronicle on Jeep roll bar & legal actions against Jeep, 12/80.
4. "Serious Rollover Problems Found in Jeep CJ5 Utility Vehicles," IIHS Status Report, 12/22/80
5. Series of articles on IIHS study & "60 Minutes" report on Jeep rollover, various newspapers & journals, 12/22/80 through 10/81
6. "American Motors Settles FTC Charge on Jeep Ad Claims," Wall Street Journal, 12/1/81
7. "Warning Stickers Proposed for All New Utility Vehicles," Automotive News, 1/10/83
8. "Troubles in Jeep Country," Detroit Free Press, 5/23/83
9. "Study Confirms High Rollover Rate for Utility Vehicles," IIHS Status Report, 9/22/84
10. "FTC Cancels Double Warning on Jeep CJ," Automotive News, 2/25/85
11. "AMC Insurers Balk at High Loss Claims," Automotive News, 11/4/85
12. "Study Shows Rollover Fatalities Closely to Vehicles' Stability," IIHS Status Report, 8/23/86
13. "Small Passenger Vehicles a Problem," IIHS Status Report, 2/28/87
14. "NHTSA Denies Request for Rollover Standard," Automotive News, 1/4/88
15. "NHTSA Study Rebutts Stand on Rollovers," Automotive News, 4/25/88
16. "Rollover Worry Plagues Utility Vehicles: Memo Outlines Safety Concerns of Jeep's Maker"; "Jeep Defenders Still Bristle Over Old '60 Minutes' Show," Wall Street Journal, 5/23/88
17. "NHTSA Turns Down Petition Seeking Stability Ruling," IIHS Status Report, 7/9/88
18. "Government To Start Work On Rollover Standard," Consumer Reports, 11/88
19. "Rolling Over for Detroit," Public Citizen Magazine, 1/90
20. "Deadly CJ's," Public Citizen Magazine, 9/90
21. "NHTSA Denies CJ Inquiry," Automotive News, 10/15/90

## B. ATTORNEYS

## C. EXPERTS

## D. LAWSUITS

1. Summary of Jeep rollover litigation known to IIHS as of 12/19/80
2. Jeep Litigation List, prepared by E.C. Gilbreath, Attorney at Law, Fort Smith, Arkansas, 1983
3. Judge's opinion in Buckholt v. AMC, plus pleadings to suppress its release, 4/20/82
4. Jeep rollover settlements & decisions, "Today's Clips," IIHS, 2/81, 9/81
5. "Chrysler Settles Suit Involving Jeep for \$11.5 Million," Automotive News, 5/5/88
6. "Jeep Rollover Costly: Jury Awards \$1.5 Million in CJ5 Case," Automotive News, 11/21/88

## E. DEPARTMENT OF TRANSPORTATION & FEDERAL TRADE COMMISSION DOCUMENTS

### I. DOT

1. Proposed Rule (Rollover Resistance), Docket #73-10, 4/18/73
2. Motor Vehicle Manufacturers Association (MVMA) to NHTSA, inquiry regarding Docket #73-10, 5/24/73
3. Comments submitted to Docket #73-10, IIHS, 7/16/73
4. Comments submitted to Docket #73-10, AMC, 8/3/73
5. Comments submitted to Docket #73-10, Jeep, 8/3/73
6. Comments submitted to Docket #73-10, MVMA, 8/15/73
7. CAS to NHTSA, requesting immediate investigation into AMC/Jeep roll bar failures, 6/2/78
8. NHTSA to CAS, reply to 6/2/78 letter stating technical review was underway, 6/15/78
9. NHTSA to AMC, information request, 7/27/78
10. Jeep to NHTSA, response to 7/27/78 letter, 9/11/78
11. NHTSA to AMC, further information request, 12/21/78
12. Jeep to NHTSA, FOIA request for NHTSA documents on performance of Jeep roll bars, 1/17/79
13. Jeep to NHTSA, response to 12/21/78 letter, 3/8/79
14. NHTSA to AMC, request for further information on Jeep CJ-5 test, 5/18/79
15. Jeep to NHTSA, stating test has no relevance, 5/31/79
16. Edward W. Barrows to NHTSA, petition to open investigation into safety & stability of Jeep CJ-5, 10/8/79
17. NHTSA to Barrows, response to 10/8/79 letter, 10/24/79

18. Jeep to NHTSA, response to 10/29/79 letter, 12/7/79
19. NHTSA to AMC, information request on 1973-79 CJ Jeeps, 3/10/80
20. Jeep to NHTSA, response to 3/10/80 letter, 6/13/80
21. NHTSA close-out memo of Engineering Analysis 8-072 into 1973-78 Jeep CJ-type vehicles, 6/14/83
22. Federal Register Notice of Proposed Rule on Operation of Utility Vehicles on Paved Roadways, Docket #82-20, 12/30/82
23. Comments submitted to Docket #82-20 regarding Operation of Utility Vehicles on Paved Roadways, AMC, 2/14/83
24. Federal Register Notice of Final Rule on Operation of Utility Vehicles on Paved Roadways, Docket #82-20, 5/11/84
25. Federal Register Notice of Final Rule After Response to Petitions For Reconsideration on Operation of Utility Vehicles on Paved Roadways, Docket #82-20, 8/10/84
26. NHTSA to Arent, Fox, Kintner, Plotkin & Kahn, stating AMC is in compliance with Utility Vehicle Consumer Information Regulation, 49 CFR 575.105, 8/15/84
27. Federal Register Notice Denial of Petition for Rulemaking, Vehicle Rollover Resistance, 49 CFR Part 571, 12/29/87
28. Consumers Union petition to issue rule for minimum rollover standards, 6/2/88
29. NHTSA to Consumers Union granting petition for rulemaking on minimum rollover standard, 9/1/88
30. NHTSA to Chrysler requesting all files on Jeep rollover propensity as part of NHTSA investigation EA89-013 on Ford Bronco II rollover, 4/10/89
31. Chrysler to NHTSA, initial response to 4/10/89 NHTSA letter, 6/6/89
32. Chrysler to NHTSA, further response to 4/10/89 NHTSA letter, 8/21/89
33. U.S. House Subcommittee on Transportation, Tourism & Hazardous Materials asks NHTSA for all materials related to denial of Sen. Wirth petition for federal rollover standard, 7/15/88
34. Institute for Injury Reduction (IIR) petition to reopen CJ-5 & CJ-7 rollover defect investigation based on newly disclosed internal AMC memoranda, 6/25/90
35. IIR supplement to 6/25/90 defect petition providing more AMC internal documents, 7/13/90
36. NHTSA denial of IIR defect petition to reopen CJ rollover investigation, 55 Fed. Reg. 42144, 10/17/90
37. NHTSA Technical Report on IIR petition to reopen CJ investigation, 10/11/90.

## II. FTC

1. Complaint in FTC v. American Motors Corp. & Jeep Corp., 7/6/82
2. Consent Agreement between AMC/Jeep & FTC containing Consent Order to Cease & Desist, 7/6/82
3. Documents relating to AMC/Jeep compliance with AMC/FTC consent agreement of 7/6/82, 7/23/82 through 1/13/84
4. Federal Register Notice granting AMC petition, reopening proceedings & setting aside FTC Consent Order of 7/6/82, 3/12/85

## F. CENTER FOR AUTO SAFETY

1. CAS Comments on Proposed AMC/FTC Consent Agreement, 2/2/82
2. IMPACT newsletter articles on rollover, 1980-1990
3. Statement on "Withholding of Internal AMC Documents on Jeep Rollover, Clarence M. Ditlow, Executive Director," 6/25/90

## G. TECHNICAL MATERIALS

1. "On Road Crash Experience of Utility Vehicles" & highlights of the report, Snyder, et al., Highway Safety Research Institute, Univ. of Michigan, (prepared for IIHS), February 1980
2. "Vehicle Handling Tests of American Motors CJ-5 Jeep," Wolpert & Belanger, Dynamic Science, Inc., (prepared for IIHS), October 1980
3. "A Comparison of the Crash Experience of Utility Vehicles, Pickup Trucks & Passenger Cars," Reinfurt, et al., Highway Safety Research Center, Univ. of North Carolina & O'Neil, et al., IIHS, September 1981
4. "Analysis of Fatal Rollover Accidents in Utility Vehicles," Smith, National Center for Statistics & Analysis, NHTSA, February 1982
5. "A Further Look at Utility Vehicle Rollovers," Reinfurt, et al., Highway Safety Research Center, Univ. of North Carolina, August 1984
6. "The Role of Stability in Rollover-Initiated Fatal Motor Vehicle Crashes Under On-Road Driving Conditions," Leon Robertson PhD & A. Benjamin Kelley, May 1986
7. "Static Stability As a Predictor of Rollover Crashes Fatal to Occupants of Cars & Utility Vehicles," Leon Robertson PhD, Nanlee Research, May 1987
